

“I Want to Know Christ”

Philippians 3

(Acts 28:30-31, Matthew 13:44-46)

Teacher: Deby Turnrose

Introduction –

Verse 1 - Rejoice!

Personal Question: Where do you find meaning in life?

Circumcision – (yay! It’s what every church girl wants to talk about!)

- i. ²“Look out for the [b]dogs [the Judaizers, the legalists], look out for the troublemakers, look out for the [c]false circumcision [those who claim circumcision is necessary for salvation] “ Phil. 3:2 Amplified

Discussion Question: Salvation is a free gift from God and not something we can earn. Are there places where we try and earn that free gift? Or times where we try and prove we are worthy of the gift?

Con/fid/ence –

From the Latin – “Con” = **with**. “Fidere” = **trust**. “Ance” = makes it a noun

Discussion Question: Have you ever placed your trust or confidence in something that eventually let you down or turned out to be untrue?

Profit (Gain)	Loss

Discussion Question: Share and encourage your table with an idea or a reason you can rejoice in the Lord today.

Personal Question: What is one step you can do today or tomorrow to “know” Christ more? How can the desire to “know” Christ more change your prayer life?
